WARRANTY

LINO SELLA WORLD grants you for this machine: "one year" under the following conditions:
-   The guarantee applies only to fault workmanship or materials. Damages caused by improper use or unobservance of the instructions are therefore not included.
    The parts subject to wearing are not included in the guaranty.
    No other responsibility is accepted. Damages to the motor are covered by Guarantee Regulations of the Motor Constructor.
    The guaranty fails if the concrete mixer machine has been unduly used or damaged because of user negligence or because of the transport;
-   All transport charges on parts submitted for replacement under this warranty must be borne by purchaser. Replacements and repair works under warranty are carried out free, except fot the labour cost.

Warrantly is valid only if the invoice is enclosed.

Descriptions and data supplied with this manual are given as an example and are not binding.
The firm reserves the right to carry out, at any moment, any change might be necessary.
